savings under other heads to meet the additional expenditure. An additional allotment of Rs. 11,004—2—11 or Rs. 11,004 in round figures under the head Printing Charge is therefore necessary.

**Deputy President:** The question is that the Government be granted a sum of Rs. 11,004 under "15-Anchal—Printing Charges".

### (xiv) 30-Public Works

**Rao Sahib K. Ayyappan** *(Minister for Public Works):* I rise to move for an additional allotment of Re. 1 "under 30-Public Works—Irrigation—Original: by transfer from B-1-291/22: Lift Irrigation Works including cost of Engines: for payment of allowance to three candidates selected for training at the Central Training School, Dhanauri".

Three candidates have been selected and sent for training as Drillers in the central Drilling School Dhanauri, for a course of nine months from November 1946. During the period of training they will be paid a stipend of Rs. 60 per month and third class Railway fare for the forward and return journeys. After their training their services will be required for well drilling in the Chittur Taluk where there will be such need for it, and will be entertained in the Government Service attached to the Chittur Irrigation System. An amount of Rs. 2,000 would be required for the payment of stipend and Travelling allowance for the three candidates selected for the course of training. As there is no budget provision for this an amount of Rs. 2,000 is proposed to be transferred for this purpose from "B-1-291/22—Lift Irrigation works including cost of engine". I request the House may be pleased to grant the demand.

**Deputy President:** The question is that the Government be granted a sum of Re. 1 under "30-Public Works—Irrigation—Original: by transfer from B-1-291/22—Lift Irrigation Works—including cost of engines for payment of allowance to three candidates selected for training at the Central Training School, Dhanauri".

### 30-A. Buildings

**Rao Sahib K. Ayyappan** *(Minister for Public Works):* Sir, I rise to move for a supplementary demand for Rs. 30,000 under "30-A-Public Works—A-Buildings".

The Chief Engineer and the Executive Engineer Mechanical and Electrical Division report that the present Mechanical Office and garages are located in an inconvenient site owing to congestion and want of proximity to the backwaters, and that if this Office and garages are shifted to a less congested area with sufficient premises and backwater frontage, there would be great convenience for the working of the Office and Workshops and that the present Mechanical Office can be exclusively allotted to the Assistant Engineer Electrical Division for use as his Office, Sub-Offices and Stores. The site selected is just on the Northern side of a Railway Bridge on the Ernakulam side measuring one acre and 19 cents. The cost of the cite when it was acquired by the Military was Rs. 19,322—15—10. There are also some sheds, etc., in these sheds. The Chief Engineer is of opinion that a sum of Rs. 35,000 will be required for purchasing this site and for putting up temporary sheds, etc. There is no allotment for this year, and an additional allotment of Rs. 30,000 is therefore necessary under "30-Public Works—A-Buildings —Original".

## (xv) 36-Uplift of the Depressed Classes

**Rao Sahib K. Ayyappan** *(Minister for Public Works)*: Sir, I rise to move for an additional allotment of Rs. 60 "under 36-Uplift of Depressed Classes—A-General Contribution—Rent", of Rs. 1,081 under "36-Uplift of Depressed Classes—Education—Maintenance of Depressed Class Hostels" of Rs. 611 under "36-Uplift of Depressed Classes—General Contingencies" and of Rs. 1,560 under "36-Uplift of Depressed Classes-B-Education—Colligiate Education". The Office of the Protector of the Depressed Classes and the Office of the two Uplift Inspectors are now held in rented buildings. The total amount required for the current year for payment of rent to the above buildings would come to Rs. 1,260. There is only a provision of Rs. 1,200 in the current year's budget for the purpose. Hence an additional allotment of Rs. 60 is required under the head "36-Up lift of the Depressed Classes—A-General—Contingencies —Rent".

Formerly the Harijan Hostel, Ernakulam was conducted in a rented building for which a rent of Rs. 45 per mensem was paid. In view of the insufficiency of space in this building and its dilapidated nature, it was shifted to a more convenient building on 23rd Kanni 1122 for which a rent of Rs. 150 per mensem has to be paid. In order to pay this enhanced rent an additional allotment of Rs. 1,081 is required under the head "36-Uplift of the Depressed Classes—B-Education—Maintenance of Depressed Classes—Hostels".

The total printing charges in 1121 came to Rs. 539-12-10 for which there was only a provision of Rs. 250 in the Revised Estimate for 1121. A sum of Rs. 249-2-0 could alone be adjusted in 1121. A sum of Rs. 290-10-10 is pending adjustment. Since the bills for adjustment were received only in Karkadagam 1121 there was no time to apply for additional allotment in 1121. The current year's allotment is only Rs. 330 for the purpose, out of which Rs. 290-10-10 is required for the above adjustment leaving a balance of Rs. 39-5-2 for 1122. The probable expenditure for 1122 will come to about Rs. 650. Hence an additional allotment of Rs. 611 is required under the head "36-Uplift of Depressed Classes—A—General—Contingencies—Printing Charges."

Three Depressed Classes Students have been sent this year by Government for higher studies outside the State. In the budget there is provision only for 2 students, Hence an additional allotment of Rs. 738 is required for the 3rd student. The stipend granted to the Depressed Classes Students studying outside the State has recently been raised from Rs. 40 to Rs. 50. An advance of Rs. 150 has also been sanctioned to Mr. C. C. Kunjan a second year student of the Benares Hindu University for purchase of books and dress. The additional expenditure required for the above items would come to Rs. 570. Out of the three students sent for Higher studies outside the State one has joined the Madras Law College. A sum of Rs. 252 is required for payment of tuition fees. Thus the total additional allotment required under the head "36-Uplift of Depressed Classes—B-Education—Collegiate Education" is Rs. 1,560. I request that the demands may be granted.

**Deputy President:** The question is that Government be granted an additional allotment of Rs. 60, of Rs. 150 of Rs. 611 and of Rs. 1,560 under "36—Uplift of Depressed Classes"—Contingencies—Maintenance of Depressed Classes Hostels—Printing charges—and Collegiate Education respectively.

## (xvi) 19-Sanitation and Conservancy

**Rao Bahadur T. K. Nayar** *(Minister for Public Health)*: I rise to move for an additional Allotment of Rs. 835 under "19—Sanitation and Conservancy—Establishment—Cranganur."

The pay of the scavengers and sweepers under the Departments of Public Health and Panchayat in Cranganur was originally Rs. 12 and 10 per mensem respectively. With effect from 8th October 1946 the pay of the Scavengers has been raised and fixed at Rs. 16 each per mensem and that of the sweepers at Rs. 14 each per mensem. There are 16 scavengers and
